

2020 IMPACT REPORT Kindhumans—a Public Benefit Corporation

Kindhumans was created to celebrate the good in humanity by elevating community, commerce and world-changing causes.

We are on a mission to unite and grow a community of kindness, promote conscious consumption by making it easy for everyone to consume responsibly and give back to world-changing causes that support kids, the planet and humanitarian aid.

We envision a brighter future where being kind—to ourselves, to the Earth and to each other—is a top priority of people and businesses everywhere. This kindness will manifest as happier, healthier communities, greater sustainability, ethical treatment of everyone, and a cleaner planet to call home.

Welcome to our quest to create a kinder world. We're honored to have you along for the ride.

Earth-based causes we support replenish exploited landscapes, ensuring that we give back more than we take, leaving the planet better than we found it.

Brands that we carry commit to offering goods and packaging that use very little waste and put Earth first. It's our responsibility to leave a green, healthy planet for our children.

FEATURED CAUSE PARTNER

501CTHREE

When communities are devastated by a lack of access to clean water, it's up to us to rise up as Kindhumans and support where we can. That's why we donated a 501CTHREE Water Box to the Sylvester Broome Empowerment Village (SBEV) in Flint, Michigan. The building supports over 600 families significantly impacted by the Flint water crisis by providing services in literacy, after-school programs, and community and mentoring programs. A Water Box for SBEV ensures clean water for the community and keeps thousands of plastic water bottles out of our landfills. Supporting causes like 501CTHREE. org results in twice the impact: kind to humans and kind to planet.

The 501CTHREE Water Box is kind to humans + kind to the planet

Restructured fulfillment to cluster shipments to maximize efficiency.

Activism

One act of kindness starts a ripple effect of good. We aren't blind to the social injustices of our world. As a woman- and minority-owned business, we understand the challenges and extra effort that is put into even the smallest endeavors. We're in it, and we support the efforts of organizations who work hard to combat injustice and discrimination while promoting real solutions for real people.

We simplify sustainable shopping by finding the very best products that are kind to people and kind to the planet. It starts with our Kindhumans Credo, our pledge to make it easier to do good, where every product we sell meets or exceeds our expectations for creating a healthier, kinder world. Through our marketplace for good, Kindhumans gives back a minimum of 3% of revenue to nonprofits while also collaborating with causes on special products that make a larger contribution, creating greater impacts together.

Brand Partnerships:

Kindhumans also teamed up with Nocking Point Wines to collaborate on the Kindness Red Blend, thoughtfully crafted using sustainable products and procedures. Profits from sales of this wine resulted in donations of \$20,000 to Stoked, SeaTrees, 501CTHREE and Grassroots Aid Partnerships.

Amplified impacts via our Brand Partners

We amplify brands that work just as hard as we do to support people and planet. Every purchase made in our marketplace for good results in a 3% giveback and activates our third party brands who are minority-owned, women-owned, and work for change through various earth and people-friendy certifications.
